Thanks.

Just FYI, at our meeting with Bob K this morning, he noted the need to have some sort of "high-level" meeting with OCSPP to discuss near-term TSCA needs from ORD. Noting that Bob and Fred are both out until 7/21 or so, this will not be an immediate thing, but perhaps we should think about how we might engineer such a meeting toward the end of July.

We also updated him on formaldehyde status and Lynn talked about the status of the glyphosate group.

**Subject:** My schedule next week

Just a reminder that I am on leave next Tuesday and Wednesday. On Thursday, I will be observing a synthetic turf installation in Va. I will be available from home early in the morning and by cell later in the day, if needed.
